

Behaviour

This chart shows a summary of behaviour activity, both positive and negative, since the start of the school year. It can be seen in terms of points or number (count) of behaviour events

More detailed behaviour information can be seen by clicking here

Click on these headers to see a summary of recent behaviour events, events since the start of the school year and where relevant, detention information

For each behaviour event raised, information is available to show which member of staff raised the event and when it happened

At the bottom of the behaviour summary page is a table showing a summary of all events, positive and negative by count (number of events) and student score (number of behaviour points)
