Dear Parents and Carers,

Re: Y10 Trial Speaking Exams in Modern Foreign Languages

Following the recent trial exams for Y10, pupils now need to complete a practice speaking exam. You will already have a result for the trial exams based on the listening, reading and writing skills but this will be updated following the speaking exam on Go4Schools to take all four skills into account.

The exams will take place in the week beginning Monday 3<sup>rd</sup> June 2024 (the week immediately after May half term).

This will involve students leaving their lessons for around 20 minutes to attend the exam. Your child has already been given their time by their teacher.

We just wanted you to be aware as we understand that this can be a stressful time for our students.

Please be assured that pupils have been fully prepared for the demands of this exam but they should now be embarking on their revision programme.

We would be very grateful if you could support them in their revision which can all be found in their MFL speaking booklets.

If you have any specific queries, please do not hesitate to contact your child's MFL teacher directly.

With bonne chance and viel Glück from,

The MFL department.
