Dear Parent/Carer,

Year 12 Report

Your child's report is now available on the GO 4 Schools (GO) website* and indicates how they are settling into their Key Stage 5 studies. It sits alongside the attendance, behaviour, and timetable information on the website, unfortunately it is not available on the app. The report can be accessed via the icons as shown on the left-hand side of this letter. Select 'Reports' and then click on the latest report.

Class teachers have provided a comment for each subject. In addition to the 'target grade' there is a 'projected grade'; this is based on the teacher's professional judgement and is the grade that is likely to be achieved in final examinations. The 'progress indicator' is a comparison between the 'projected grade' and the 'target grade'.

The targets currently being provided are provisional and will be reviewed in the new year when further data becomes available from Fischer Family Trust (FFT), an independent non-profit organisation commissioned by the Department of Education. Based on the latest National Curriculum frameworks and standards, FFT provides estimates of potential individual performance based on how students of similar ability performed in their A-Level examinations nationally; similar ability is defined as similar prior attainment (i.e., GCSE Examination Results), gender and month of birth.

FFT provides us with subject specific estimates with three degrees of challenge; FFT 20% is used as the basis for our target setting, the estimates are based on progress seen in the top 20% of schools (high challenge). FFT also provides estimates based on grades achieved in 50% of schools (average challenge), and in the top 5% of schools (very high challenge). Many of our students achieve higher than their target.

You will have an opportunity to speak to your child's teachers about their progress during an on-line parents' evening on **9th and 10th April**. In the meantime, if you have any queries, please contact their form tutor. For additional information about the Key Stage 5 curriculum please see the 'Curriculum' section of the school website**.

Yours faithfully,

Mr M Shaw – Assistant Headteacher

Mrs J Critchley – Data Manager
